

PRODUCT WARRANTY

Robo-Fit warrants that our products are free from defects in material and workmanship. However, please note that no other warranties, express or implied, including warranties of merchantability, are provided. Liability for defective materials or workmanship is limited to the replacement or repair of defective products, subject to the condition that such products are returned within 30 days after receipt. Any repairs made by the Purchaser or at their request will not be covered by this warranty. Please be aware that Robo-Fit will not be responsible for any consequential or other damages or expenses incurred as a result of the use of our products. While our published literature reflects all current design, dimensions, and performance data at the time of initial publication, please note that modifications may be made on an ongoing basis to upgrade our products. Such modifications may result in changes to the design, dimensions, and/or performance of the products as shown in this catalog. Please note that while working pressures and other technical information have been prepared from sources deemed reliable, Robo-Fit cannot assume responsibility for the accuracy of this information under varied field conditions. Such information should be considered a recommendation only, rather than a guarantee.

 **WARNING:** Products offered by Robo-Fit can expose you to chemicals such as lead, a chemical which is known to the State of California to cause cancer, birth defects, or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

As of January 4, 2014, Federal Public Law 111-380 prohibits the sale of plumbing fixtures with a wetted surface area containing more than a weighted average of 0.25% lead. Robo-Fit parts are to be used only for non-potable services, unless they have been given the "PBF" distinction on their corresponding part numbers. It is incumbent upon Robo-Fit customers to determine whether or not the products they use are compliant with Federal Public Law 111-380.
